

REMARKS

The Office examined claims 1-4 and rejected claims 1 and 3, but indicated that claims 2 and 4 would be allowed if rewritten to include all of the limitations of the claims from which they depend.

Amendment placing application in condition for allowance

With this paper, the claims 1 and 3 are canceled and claims 2 and 4 are rewritten as required, thus placing the application in condition for allowance. Thus, with this paper, only claims 2 and 4 are pending, and are believed allowable.

Request for initialed PTO Form 1449

On Oct. 17, 2006, the Office received from applicant a further PTO Form 1449 (mailed by applicant on October 13, 2006).

Applicant respectfully requests that an initialed copy of the PTO Form 1449 be provided by the Office.

Conclusion

It is believed that all of the claims of the application now pending are in condition for allowance and their passage to issue is earnestly solicited.
